

Centennial Park Lighting, Audio & Vision Wedding Packages

There are a myriad of options at this wonderful venue for your wedding. From lighting the trees and garden to having LCD screens scrolling through a photo gallery, you can take advantage of some excellent packages **Innovative Production Services** has on offer exclusively for wedding parties at Centennial Parklands Dining.

>>> TREE LIGHTING PACKAGE.....\$330 inc GST

Create a memorable backdrop for your special day by lighting the Morton Bay Fig & other trees surrounding the venue. With multiple colour options, you can choose from subtle pastel tones to bright saturated colours that will suit your theme or decor. Pictures of the lit up trees are just below.

>>> LCD SCREEN PACKAGE.....\$500 inc GST

Show your guests memorable photos on one 46" LCD screen and a stand in a section of the venue of your choice. You will need to send us the pictures for the gallery photo roll before hand and we will burn a DVD that runs on the screen during the evening.

These two packages are the most often requested, however with our extensive inventory and creative ideas, the options are limitless. To arrange a booking or to discuss your event further, please contact us on the details below:
